

## CONVERSION OF IMPERIAL UNITS TO METRIC UNITS IN WORKSPACE

Type the following commands accordingly to change from imperial to metric units:

Command: **STARTUP**

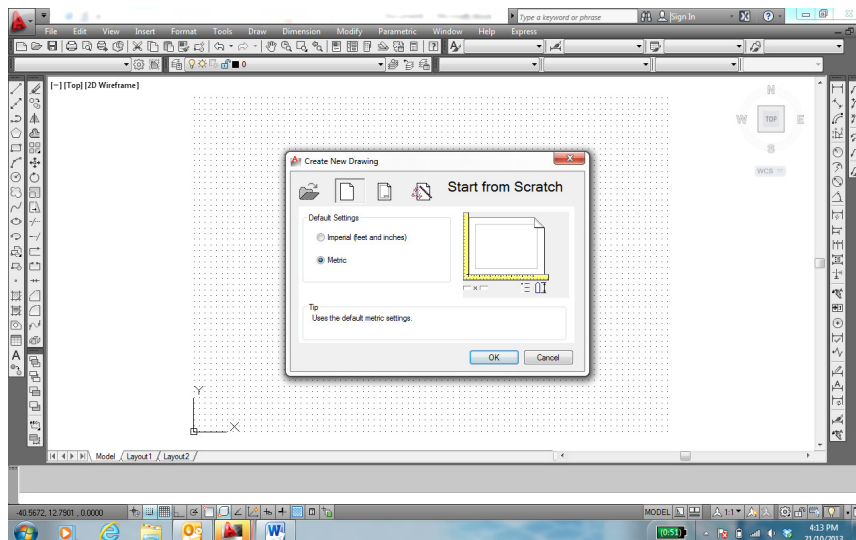

Enter new value for STARTUP <0>: **1**

Command: **FILEDIA**

Enter new value for FILEDIA <1>: **1**

Command: **QNEW**

A dialogue box will appear shown below:

Select: **Metric**

Click: **OK**

The workspace will now be in A3 metric.
